Dear Judith;

There is only one way to begin a testimonial about the Zonta Club of Cheektowaga-Lancaster; "our residents LOVE when they visit!" When the Zonta ladies are on our calendar, 6:30 can't get here fast enough. The morning following a Zonta visit is filled with great stories about all the fun from last night.

The upbeat and positive attitude of Kerry and the girls makes such a difference in the lives of our residents. They put together a wonderful program that is well organized, and well attended. Zonta Club is always welcome in our Activity Center.

Sincerely,

A handwritten signature in cursive script that reads "Matt Felice".
