

† ZONTA CLUB OF CHEEKTOWGA....for you, we give thanks!

ZONTA Club has been a special blessing to Response to Love Center for many years. As the Center continues the mission of service to the marginalized, our needs are met through their generosity. The spirit of ZONTA is overwhelming with a heartfelt and joyful presence as they serve as Volunteers in the thrift shops, food pantry and dining room. Greeting the clients in need of a meal, ZONTA serves with a smile; helping ladies in need of clothing, ZONTA offers advice for their choices; providing families and individuals with personal care and food items, ZONTA responds with kindness and respect.

This past year, ZONTA provided personal care bags and a gift card to Rite Aid for women who attend classes in the English as a Second Language and Adult Education Program at Response to Love Center. Each woman was overjoyed to receive a special gift for achieving a high school diploma. In attendance at this present time, sixty- five students working hard each day to enhance their language skills and learn to read and write.

ZONTA CLUB is not just a lady's social gathering. ZONTA meets to suggest, discuss and respond to the needs of the community. Their genuine concern, loving care and compassionate presence are gifts to Response to Love Center. In working with ZONTA, all of us are touched and inspired by their lives.
